## SAUVIE ISLAND SCHOOL

Sauvie Island School (SIS) is an educational meeting place that fosters an environment where students, parents, staff, and the community are partners in the educational process for the achievement of all children. SIS is a K-8 Public Oregon Charter School in the heart of Sauvie Island with a student body that consists of children from Multnomah and Columbia Counties.

SIS offers a Place-Based curriculum that uses the unique and natural environment of Sauvie Island to guide students' education giving them the tools they need to learn critical thinking, effective communication, academic excellence, and to become stewards of the environment. SIS is focused on giving students hands-on experience allowing them to make connections between what they learn and how they live. Projects in the community provide an opportunity for teachers and students to solve real life problems and meet authentic community needs.

## COMMUNITY STEWARDSHIP

Our students and faculty are active and caring members of the community, embodying the qualities of community stewardship:

LEADERSHIP – someone who calmly guides others toward a common goal.

KINDNESS – a compassionate person who considers the feelings of all.

PERSEVERANCE – someone who doesn't give up, even when a task is challenging.

TEAMWORK – someone who helps the whole group work constructively together.

JOY – a person who, even when a task is hard, is not so serious they forget to have fun.

## WHY SPONSOR?

Strong Communities Need Strong Schools, and we are asking for your support to ensure our students continue to have access to an education and curriculum that will encourage innovative thinking, cooperative learning, effective communication, stewardship of the land and its resources, and a willingness to be a part of their community.

Your sponsorship will help us raise the funds needed to continue to support our students' educational and enrichment activities, including: ART • MUSIC • LIBRARY • FIELD TRIPS • ASSEMBLIES  
• SCHOOL GARDEN HABITATS

Many of these enrichment programs are connected to our heritage and community on and around Sauvie Island and have been made possible with the generosity of our auction sponsors.

## HOW FAR CAN YOUR SPONSORSHIP DOLLARS GO?

**\$500** A donation of just \$500 could provide the Art Teacher the funds to purchase supplies for the art room for an entire school year.

**\$1,000** With \$1,000 our school librarian could purchase books, technology, and STEAM (Science, Technology, Engineering, Art, and Math) activities for students that spark their imagination and develop their problem-solving skills, while keeping them current with today's technological world.

**\$2,500** School Garden Habitats, Guest Speakers for Assemblies, Classroom supplies... these and so much more could be funded with a \$2,500 donation.

**\$5,000** A \$5000 donation could cover field trip costs for the year and provide Sauvie Island School students with significant Place-Based Learning opportunities outside the school campus.

**\$7,500** A generous donation like this could allow Sauvie Island School to retain an experienced music teacher for an entire school year!
